

CROWN VELVET

This is special collection of velvet in a stunning color range of more than 50 different shades of both pure classic and non-obvious pastel broken colors. The colour palette has been created with extreme attention following the most recent trends. The unique feature of this fabric is its , so called WATER CLEAN finish which gives it a high resistance to stains and facilitates the removal of stains from coffee, chocolate and even ink. Crown works very well in heavy curtains as well as in upholstery of furniture.
